Richelle BeautyVision Aruba

IT'S ALL ABOUT RESULTS!

JANSSEN COSMETICS

Nowadays, a pronounced awareness of one's body has become a matter of course. Men and women are paying in-creasing attention to their figure. **Regular sport, a healthy diet** and special care preparations are an absolute must to keep the body in shape.

With the BODY product series, **JANSSEN COSMETICS** has developed an effective care product range for treating the body. Innovative active substances combat the problem zones and guarantee an attractively shaped silhouette with perceptibly firmer contours.

At **RICHELLE BEAUTY VISION**, the special products are integrated into problem zone treatments. Massage creams and lotions plus full body masks and wraps support professional treatment of individual figure and beauty problems. The body regains its top form.

BODY LINE from JANSSEN COSMETICS leaves your skin looking more supple and youthfully smooth.
